Subject: Corps-EPA BDCP Coordination Meeting

Hi Everyone,

I'm sending meeting invites for 1-hour Corps-EPA discussions about BDCP. The first one is next week. Karen or Tom can call us from San Fran or we can call EPA. I am happy to walk to 1325 J to meet with Mike N and Mike J in person.

I'll send out an email to invitees with a proposed agenda after I talk to a few folks.
